

Living Waters

Pursuing Relational and Sexual Wholeness in Christ.

What is it? Living Waters is an in-depth, Christ-centered discipleship course and prayer ministry for men and women looking to apply the power of the Gospel to our hearts in areas of relational wounds and sexual brokenness*. We seek to understand and embrace the goodness of our maleness and femaleness as reflections of God's image, to provide a strong foundation for engaging in healthy relationships.

Living Waters is a proven path of healing and change, with 3 focuses:

- **Worship** – We focus our attention on God in the midst of our problems.
- **The Word** – Living Waters' teachings combine Biblical truths and psychological insights to help us know God and ourselves better.
- **Healing Prayer** – Through healing prayer in large and small group settings, we invite the Holy Spirit to heal our wounds. We bring our sins, and those committed against us, to the Lord who is faithful to set us free.

Who is it for? Christian men and women, single and married, all ages 18 and over, all relational/sexual issues*, from across the Triangle. If you are seeking growth in your identity and relationships, a deeper walk with God and others, and a fuller life, consider Living Waters.
