### READING GOD'S WORD

Isaiah 9:1-7

This month we are going to devote one week considering each of the names given to Jesus in Isaiah 9:6. This week we want to think about what it means for us that Jesus is our Mighty God.

### DISCUSSING GOD'S WORD

1. Explain what comes to your mind when you think of the name "Mighty God"? What characteristics would you use to explain a God who is mighty?
2. Can you think of any evidence in the Bible that shows that Jesus is Almighty God?
3. What mighty acts did Jesus perform while He was on the earth?

### APPLYING GOD'S WORD

1. We typically give gifts that meet a need or longing in the recipient. That said, what need or longing do you think God saw in us, that He gave us a gift called Mighty God?
2. We all have areas where we feel strong, but in what areas do you feel weak?
3. How would you encourage a friend to respond to God who reveals Himself as Mighty?
