

Wonderful Counselor

VERSE 1

You know what we're going through
Were tempted as we are too
You suffered the pain of loneliness
You know what we're going through
You hear when our hearts break
You know the sound they make
When they're crying aloud to You God
You hear when our hearts break

CHORUS

Wonderful Counselor
You are the Powerful Healer
You know the depths of our broken hearts
You guide us to where You are

VERSE 2

You care about our pain
You know our doubt and shame
You carry the burden of our hearts
You care about our pain

CHORUS

You are the Wonderful Counselor
You are the Powerful Healer
You know the depths of our broken hearts
You guide us to where You are

BRIDGE

There's no one like You
Who cares like You do
You know our deepest pain
There's no one wiser
Our Great Advisor
Even in fire and rain

There's no one like You
Who cares like You do
You know our deepest pain
There's no one wiser
Our Sanctifier
Even in burning flames

CHORUS

Wonderful Counselor
You are the Powerful Healer
You know the depths of our broken hearts
You guide us to where You are

You are the Wonderful Counselor
You are the Powerful Healer
You know the depths of our broken hearts
You guide us to where You are

Wonderful Counselor
